PUBLISHED BY THE CREST STAFF
OF
PEORIA HIGH SCHOOL
PEORIA, ILLINOIS

EX LIBRIS . . .

The history of Peoria is one of continued growth and progress. This history can easily be divided into four main divisions — beginning with the early Indian period, going on to the time of the French explorers, the Gay Nineties era, and coming to modern times. We may compare our four years of high school with these divisions.

Each year brings with it new discoveries, hopes, and developments. Graduation is just one more stepping stone into the future. Just as the future of Peoria has many obstacles to contend with and is uncertain, so our future is also. With the will to go ahead, and the courage, which was displayed by Peoria's early settlers, these obstacles can and will be overcome.

Turning back the pages of this school year we recall many events and happenings. So that you will always be able to keep these memories, we bring you the 1951 edition of the Crest with the growth and development of the school year just past.

THE CIVIL WAR MEMORIAL . . .

The Civil War Memorial is located on the South side of the Court House, where on October 16, 1854, Lincoln and Douglas gave their famous debate. President McKinley came to Peoria for this special dedication. Peoria was also very proud to have Fritz Triebel, a native Peorian, design and execute the sculpture of the Soldiers and Sailors Monument in his studio in Italy. The city and county both pledged \$10,000 to pay for the monument.

PREHISTORIC

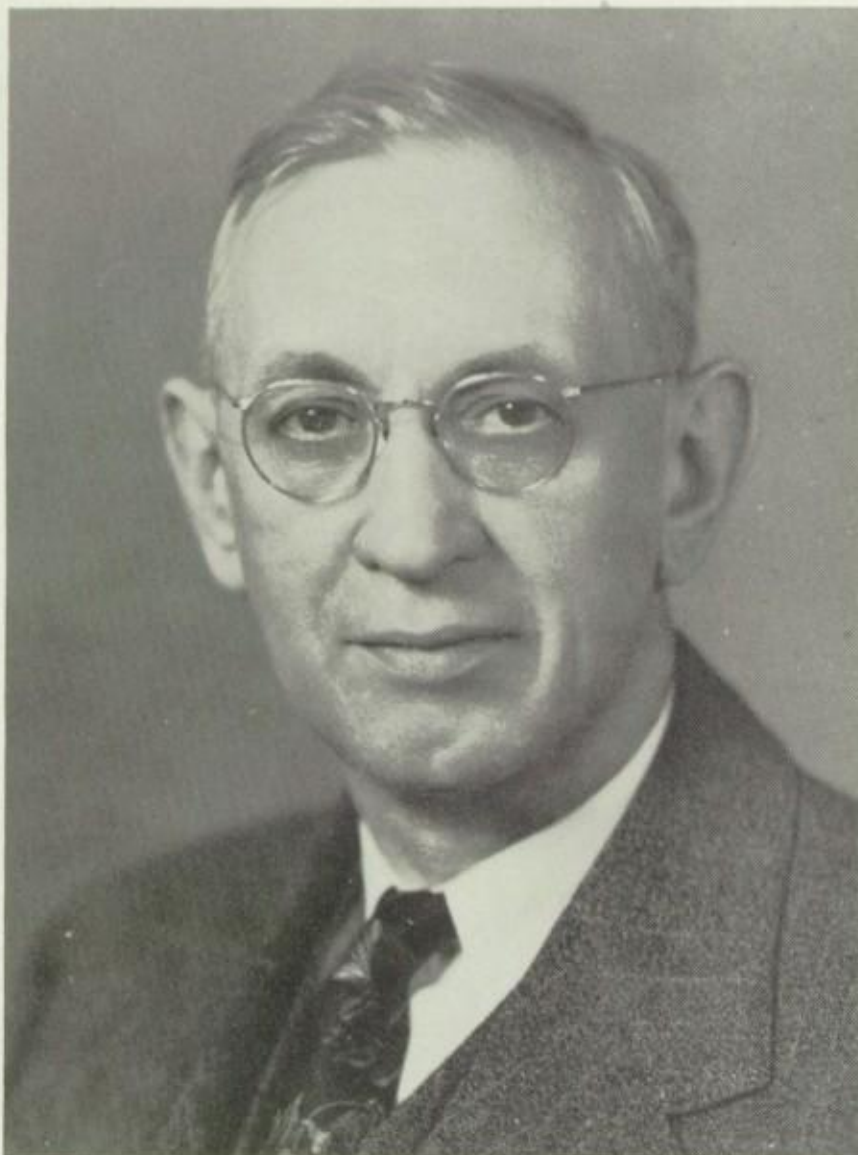

FACULTY

John Van DeVenter, Ginny Dawson, (standing) Jean Williamson, and Carol Brunswick (seated) Crest staff dept. heads, are somewhat amused at this prehistoric man. Could it be he reminds them of someone?

PREHISTORIC

Knowledge we have gained from our earliest records is the basis of our development and growth — the result being the world in which we live today.

As we have profited from ancient Civilization so do our teachers lay a foundation for us. From their experience and wisdom, they help guide us in this present world.

Howard A. Hunter, Principal

Bernard F. Swedell
Assistant Principal

Bess D. Hale
Dean of Girls

Greetings, Class of 1951:

In this farewell message, may I tell a story or two? Some years ago, an American tourist in England was admiring one of those fine old English lawns. He said to the gardener, "This is the most beautiful lawn I have ever seen. I'd like to know how you do it. What is the secret?" "Well", said the gardener, "it's not so difficult, sir. You just seed it and fertilize it and trim it and roll it and you keep that up for about two hundred years and by and by you begin to have a really fine lawn, sir."

My dear young friends, as you leave Peoria High School, it is the sincere hope, yes, the prayer, of your teachers that you will find durable foundations upon which to build with your life, and so build that those who follow after you may carry on from where you leave off. When God wants a mushroom, He grows it overnight. When He wants an oak tree, He takes a century or more to mature it. And be assured, Graduates, that in this great America there are durable foundations.

When St. Paul's Cathedral was being built in London, its great architect, Sir Christopher Wren, unknown to the stone cutters, was walking through the church yard one day. He stopped to speak with some of the workmen. He asked the first one, "What are you doing?" and received the reply, "Cutting stone for eight pence a day." A second workman replied to the same question, "Cutting this key-stone to fit in the arch of yonder window." A third stone cutter, when asked the question, straightened up to his full height and replied, with a ring of pride in his voice, "Helping Sir Christopher Wren build a cathedral, sir." Be builders of cathedrals, young people!

Sincerely yours,

Howard A. Hunter

FRESHMEN

Jim Solomon—President, Ronnie Streibich—Treasurer,
(standing) Stephanie Koch—Secretary, and Alan Little—Vice President (seated) are discussing "Path of the Storm", the last of Peoria Indians.

INDIANS

The Peoria Indians, located on the banks of Lake Peoria, were the first known settlers of this region and from them we have derived the name of our city. This tribe had to band together to conquer the wilderness in order to exist.

The Freshman, in his first year of high school, has made for himself a beginning in a scholastic career. For him it is a new experience requiring a willingness to advance.

SOPHOMORES

Tom Kennedy—President, Bob Klaus—Vice President, Roy Kern—Treasurer, (standing) and Bob Jacobus—Secretary, (seated) find it hard to realize that this scene could be Peoria.

Dear Ellie,

Here's to the sweetest gal in ahead! No kidding you're swell and you know that I've always liked you real well, even though you are ugly and drink a lot on New Year's Eve! I love something about Dave that I want to straighten out with you (Dave, don't read this!!) Anything that I say about him - you know I'm just kidding. You're swell together so keep it up!

So let's always be real good friends and have a great time next year.

Be good! Best wishes
to a swell friend!

Rita RB

FRENCH COLONIZATION

Except for the interruptions caused by the Indian wars, Peoria was basically a continuous French Settlement. Those early French explorers, who came when the Peorias inhabited this region, had many difficulties and hardships ahead of them. Their life in the New World was tedious and many times they became discouraged, but as time went on they gradually became settled and looked forward to better days to come.

Sophomores have found this also to be true. For like the early French explorers they also find the going rough and uncertain. But as their school year unfolds they at last find a place for themselves at Peoria High School.

Dear Eleanor,

GAY NINETIES

This period of Peoria history was gay and colorful. Industries and education had developed and everywhere there was evidence of progress.

The Juniors, having had a background of experience, now have time to enjoy the results of their efforts, and this year, like the Gay Nineties, is full of many colorful and interesting events.

MODERN

SENIORS

Jack Arnold—Secretary, Bob Court—Treasurer, Betty Lou Henebry—President, (standing) and Paula Hitchcock—Vice President, (seated) are proud of their city. This view shows the busy business section of Peoria.

Dear Ellie,

You're really alot of fun and we've had some great times charging around in our cars and just having a good time in general.

You and Dave are really a darling couple and I hope you'll be another Marty and Steve. They've been going together for about five years now. Remember the nights you had to put up with Hal when Judy and I were with Ed and Dan.

Darlink, I'll never forget your ultra - ~~stale~~ stale jokes such as toolupick "Thankyou" etc. What a rowdie! And the party at your house after the junior prom.

You've really been a wonderful friend and you're lucky to have such a sweet family!

Well Mr. Mills here's to a darling INC and I love you madly.

Je vous aime beaucoup!

Louie

 Well I think it
 been well sort of fun Brown
 you & believe me down ~~street~~
 it some to say this... stretching
 Now for the serious side I think you are in
 one great girl & one who goes with a great guy in history
 always but who for the poorest jokes in history (not alone)

Dear Eleanor
 Well here we are again!
 We've only had some of the
 greatest times this year
 and see how I forget
 them. I really love ya
 honey, and I hope
 we're the best of
 friends always.
 Remember all the fun
 we had this year,
 I hope you have even more

THEATERS - ACTIVITIES

An interesting sidelight in the development of Peoria are its theaters — from the old theaters of long ago, such as the Rouse Hall and the Old Grand Opera House, to Peoria's modern theaters of today.

Our clubs and activities are a diversion from schoolwork just as the theaters are from the regular hum-drum of life.

I hope
 very
 years.
 Love
 Jackie

STAGE CREW

We are the workers "behind the scenes". We set up the props, work the public address system and produce sound effects and in this way make assemblies possible.

ROW I—D. Steenrod, D. Kuntz, J. Hendricks, C. Luthy.
 ROW II—J. Green, J. Myers, J. Martin.

SPORTS

SPORTS

John Cusick, (standing) Jayne Webb, and Bill Suffield (seated), Sports Staff members, are trying to recognize any football players on this winning team of 1917.

SPORTS

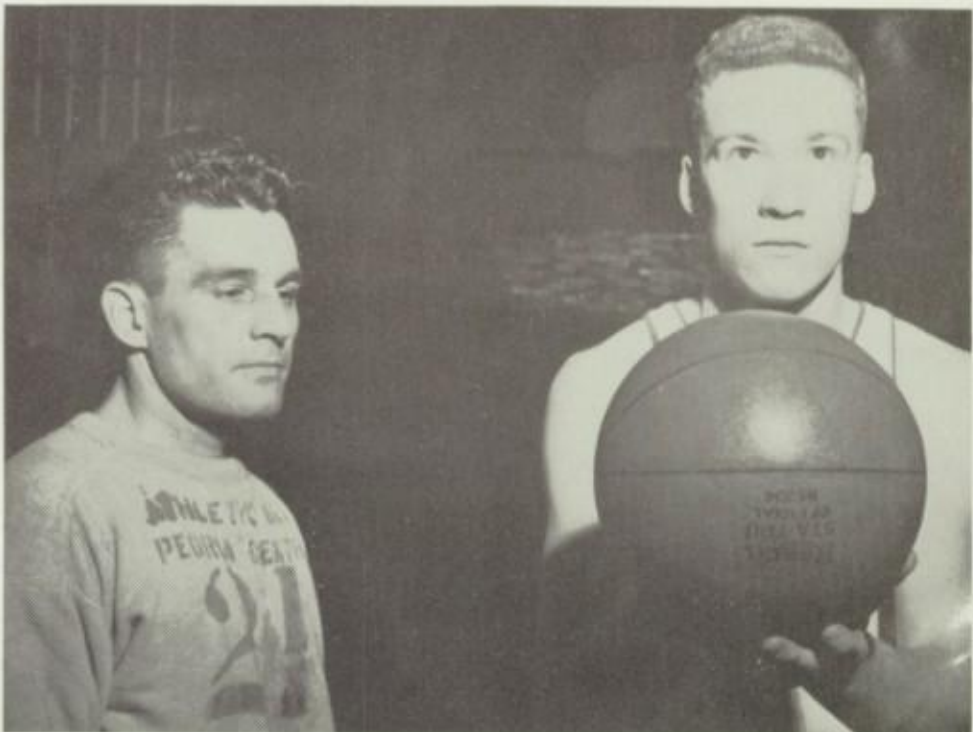

Although the early settlers of Peoria led a strenuous life they still found time to amuse themselves through sports. These activities offered recreation to the people and a change from their daily tasks.

As Peoria grew, her interest in sports grew also. Although rules have changed considerably in many of the games the benefits will always remain the same. Here at Peoria High, sport activities play an important role. We are proud of our athletes and through them we learn the need of good sportsmanship not only in school life but also in the years to come.

FOOTBALL

Central, under the leadership of Leon Dailey and with the able assistance of Dawson Hawkins, turned in a record of two wins, one tie, and seven losses. The Lions, fighting hard and losing the larger share of their games in the closing seconds, gave all their oppositions a battle that was a struggle to the sound of the final gun. The team was lead by a fine captain, Joe Zicaro, who was an outstanding football player as well as team leader.

FRESH-SOPH FOOTBALL

Peoria Central's Fresh-Soph Football squad started out with a bang, trampling Morton's Junior Varsity 34-0. They then moved to Chili, where they fought to a rainy 6-6 tie. But taking out all revenge on the Woodruff Warriors they fought to a 34-6 victory. They then lost three straight to Spalding, Decatur, and Pekin, but ended the season against East Peoria, by running over them 26-7 to give them a record of three wins, three losses, and one tie.

BASKETBALL

Central opened the season on the wrong foot, losing to Chillicothe 43-34, but under the leadership of our coach, Dawson Hawkins, snatched the second game from Farmington 49-48. The Lions then hit the skids, losing eight straight games, but won three out of the next four, knocking off East Peoria 54-42, Woodruff 55-49, and a stubborn Streator five 56-52. The Lions then, with ten games remaining, went into a slump and dropped seven straight before they dumped Streator 57-41, and a hard fighting Metamora five 56-53. To finish the season, Central played Manual, only to come out on the short end of the score, 68-58.

Because of the number of underclassmen playing this year, Coach Hawkins and Central have fine hopes for a very successful season next year.

FRESH-SOPH BASKETBALL

The Fresh-Soph Cagers, inexperienced but fighting hard, played a schedule tough enough for any Junior Varsity. The Lions moved in on Chillicothe, only to be turned down in a thriller 33-31 to open the season. But they ran all over a Farmington Junior Varsity five, 72-30. The Central five then went into a five-game losing streak, although they came up for air against East Peoria 49-34, they were dunked in their next two games by Woodruff and Streator.

The Lions then, with 11 games remaining, knock off Elmwood, 49-32, dropped to Woodruff and Spalding, but stole a heart-breaker from East Peoria, 40-39. It was then that the Decatur Sophs upset us 71-27, only to have us knock off Elmwood Jr. Varsity 51-35. With five games left, we lost to Pekin for the second time, knocked out Wyoming 49-38 and Tremont Jr. Varsity 58-30, in order, but couldn't keep up the pace and dropped the last two to Springfield Jr. Varsity and Streator.

The Lions, with an unimpressive win and loss column of 16-7, should come back next year with a perfect season because of the fact that there was only one sophomore on the team. Good luck, boys.

BASEBALL

Central's baseball team under its new coach Bruce Saur, had one of its most successful seasons in years. Its record of nineteen wins along with ten losses was the second largest number of wins in the state. They were runners-up in the city and Greater Peoria standings and lost a close 4 to 2 decision to Manual's State Champions in the District finals. With the game deadlocked 2-2 going into the late innings, Manual was finally able to push across the winning markers on a costly error.

Central was fortunate in having as its number one pitcher, Keith Kelly, winner of the Jack Koch Memorial Trophy and one of the outstanding pitchers in Central's history. Keith is now playing professional baseball with the Brooklyn Dodgers farm system.

With only five lettermen returning, Coach Sauris is facing a difficult job, but we are all hoping for another successful season.

TRACK TEAM

In spite of the loss of many valuable lettermen, Coach Myers' track team turned in a creditable season. Losing veterans in every event, he produced a team well fitted for the 1950 season. They won three of the four dual meets they participated in and took ninth in the Geneseo Relays, second in the Peoria High Quadrangular, third in the Delavan Track Carnival, third in the Greater Peoria, and ninth in the Big Twelve.

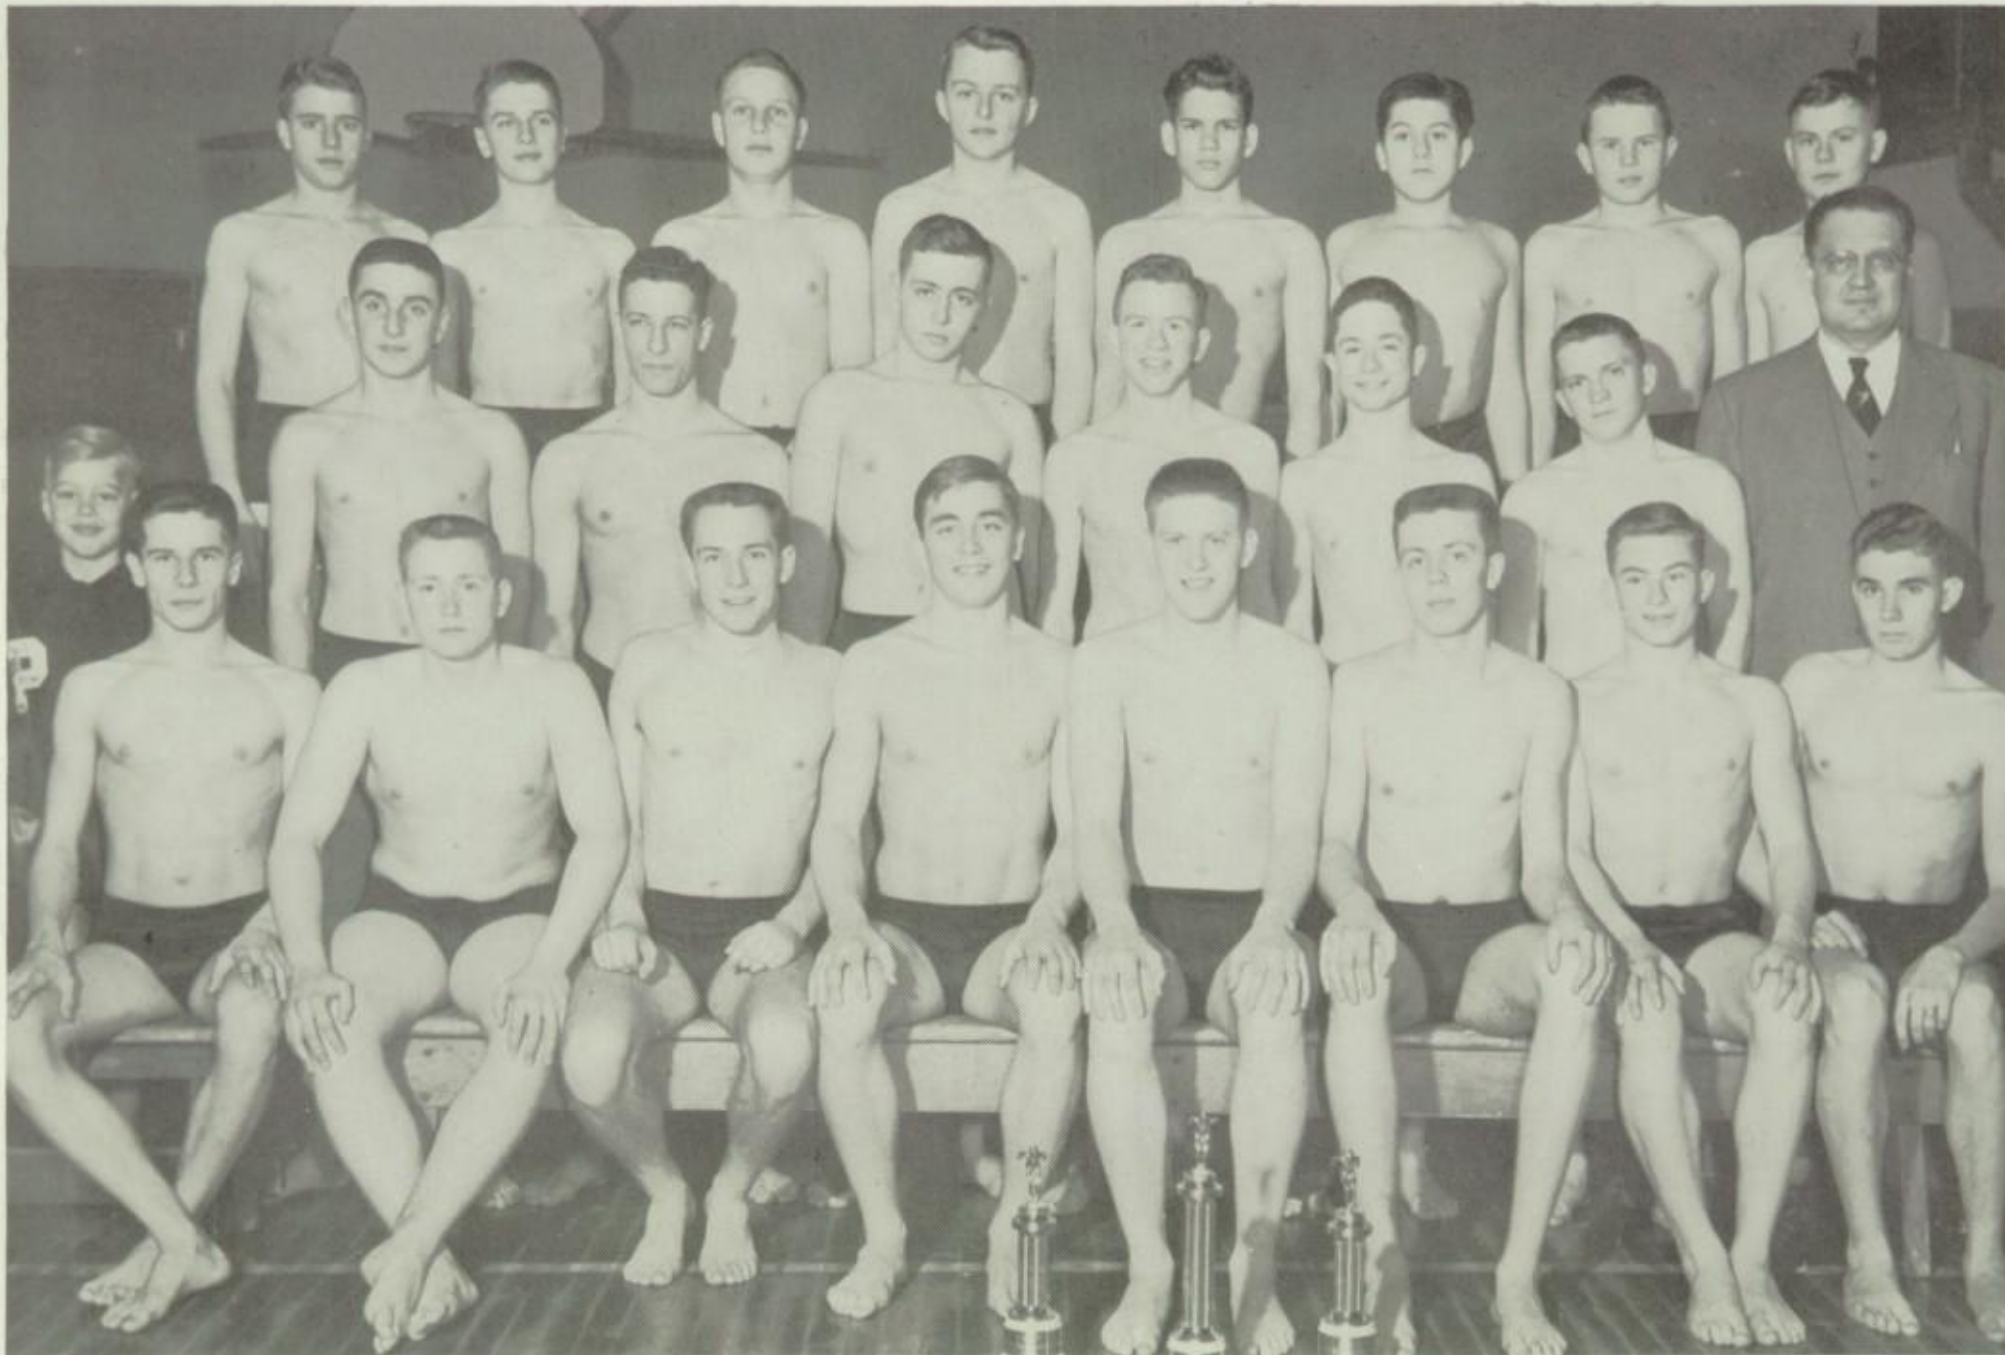

Central also qualified six boys for the State Meet. Representing Central were Earl Haley in the hundred-yard dash, Jerry Bibb in the eight-eighty yard run, Jack Young in the four-forty yard dash, Gil Minor in the mile, and Jack Young, Earl Haley, Dave Shea, and Dick Cunningham in the eight-eighty yard relay.

Central is hoping for other successful seasons from the Track Team in the future.

SWIMMING

Coach Joe Yuhouse's swimming team, of whom we can all be proud, turned in not only an outstanding record but a perfect one as well, dunking every team they were up against. They opened the season against Danville, where Central's watermen went all out 58-17. Then, working their way to the State Meet, splashed East Rockford, La Salle-Peru, Waukegan, Danville, LaSalle-Peru, for the second time, and Urbana, also sweeping the Big Twelve in their stride. They then went to blast Urbana, again, 64-11. Ending the season with a perfect record, they went to Winnetka for the State Meet, where they finished sixth.

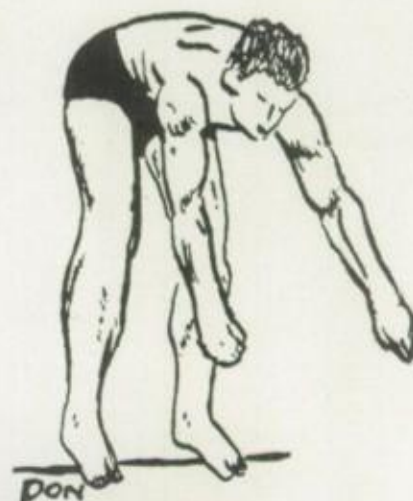

Chuck Edwards, captain of the team, deserves a lot of credit for his fine job this season. Chuck, who set many new records this year, was as good a captain as any team could possibly want. Because of the Junior talent on the team, Coach Joe Yuhouse expects a fine team next year.

GOLF

Peoria High's golf team proved its ability by teeing off on eleven opponents and dropping none.

Returning Letterman Jack McIntire copped all individual honors in the Davenport, Iowa, Tournament, helping Central pull a second place out of the fire with the medalist honor seventy-three. Again Central took a second in the Quincy Tournament as Jack again was medalist seventy-one.

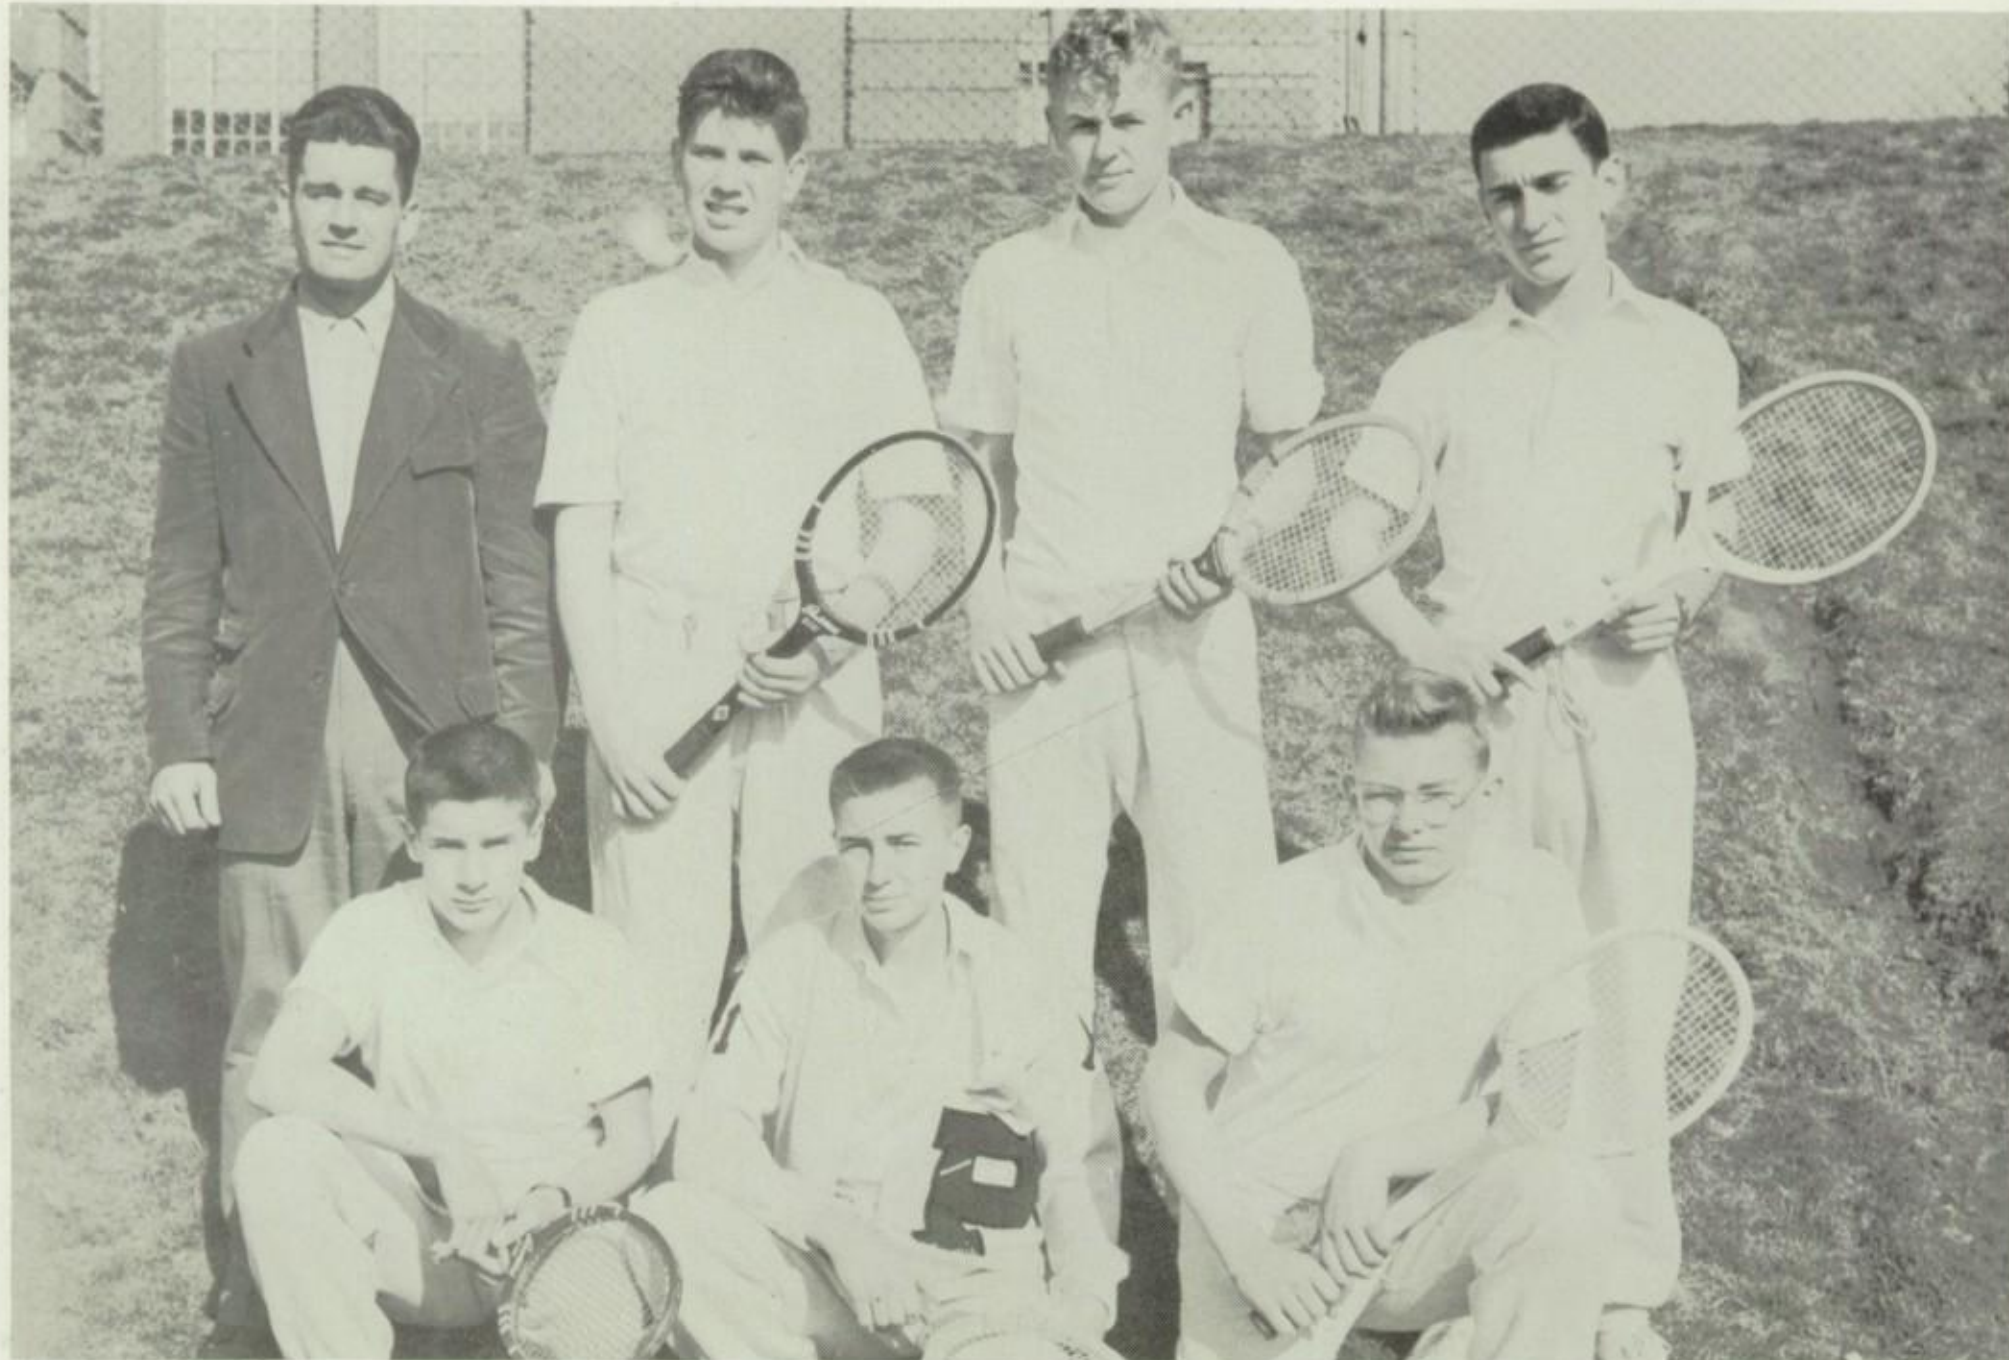

The Lions then proceeded to win the District, take second in the Big Twelve and fifth at the State Meet. We have high hopes for another great team next year.

TENNIS

The tennis team, under the direction of Coach Dawson Hawkins, had a record of four wins and eight defeats. With only a few returning lettermen, it was a difficult schedule. Although their record was not too outstanding the Lion net men placed second in the District Meet, being nosed out by Pekin. They then moved on to take a fifth in the Big Twelve, and ended the season with a record we can be proud of by taking the city title.

CROSS COUNTRY

Coach Joe Myers, bringing back Cross Country to Central for the second year with a team of fine caliber, had a record we can all be proud of. Coach Myers, in order to give more boys chances to run, had two teams, 1 and 2. The first team had five dual meets, dropping only one to Lincoln by a close decision. In major meets the first team placed third in the class A division at Geneseo Invitational, moving on to take another third in the Big Twelve Conference, but putting on a last splurge of speed to take second in the District.

The only boy on the team qualified to run against the rough competition in the State Meet was Sophomore John Deal, who placed fourth in the District Meet.

The second team had two dual meets, as well as running in some of the first team meets, winning one but dropping a heartbreaker to Tremont. In major meets, they placed third in the Reserve Division at the Geneseo Invitational.

MARKET PLACE

ADVERTISING

Ann Gaskins, Joanie Rosenberg, Ann Taylor, (seated) and Frances Oechsle (standing), members of the Crest Business Staff, are observing the market place which used to be the center of buying and selling activity, prevalent before the city council passed an ordinance prohibiting sidewalk selling.

MARKET PLACE

There is quite a contrast today to the old market place of long ago Peoria. Here everything was sold from apples to hardware, presented to the public by a barker loudly proclaiming his wares. Now the system in Peoria has evolved to a much higher standard.

Advertisements offer the information needed about any possible products in a more effective manner. It is because of this progress that we are able to present the Crest to you.

The path to your success is here at Bradley University

Bradley, as one of America's strong medium-sized universities, combines the advantages of the very large university with the personal attention provided by smaller colleges. Dr. Ralph McDonald, chief of the division of higher education, National Education Association, recently stated, "Bradley has the highest accredited rating that an institution can achieve in the United States."

Extracurricular activities at Bradley surpass those of all but the very largest universities. Bradley has more than a hundred clubs, sororities, and fraternities catering to a wide range of interests.

Bradley University offers over 1000 courses in over 60 areas of study. Its free lecture-arts series is not equalled in any university in the United States. The University is accredited by all the major accrediting agencies.

Under the new "Bradley Plan," a student is given the opportunity to combine his regular college education with military training in the university's air ROTC. If his college and military work is creditable, he has a chance for deferment until graduation and for gaining a reserve commission, upon graduation, as a ground forces officer in the Air Force.

TICKET TO *Opportunity!*

Congratulations, graduate, and may your diploma remind you that you have earned a ticket to opportunity. This ticket can take you in several directions and to countless rewarding destinations. It can challenge you to grow, to develop your talents and abilities.

It can encourage you to have your special aptitudes and interests revealed,

your goals appraised — by reliable tests that companies like Caterpillar are using — and thus inspire you to build your future on the firm foundations of further knowledge and training. Whatever direction you decide to go, remember your diploma symbolizes freedom of opportunity — your birthright as an American citizen! *Bon Voyage!*

"United We Stand"

**In this Year 1951. Let us All Pledge Full
Acceptance of Our Responsibility to Our
Country . . .**

In the words of Abraham Lincoln in the President's Message to Congress, December 1, 1862 . . . "The occasion is piled high with difficulty and we must rise to the occasion".

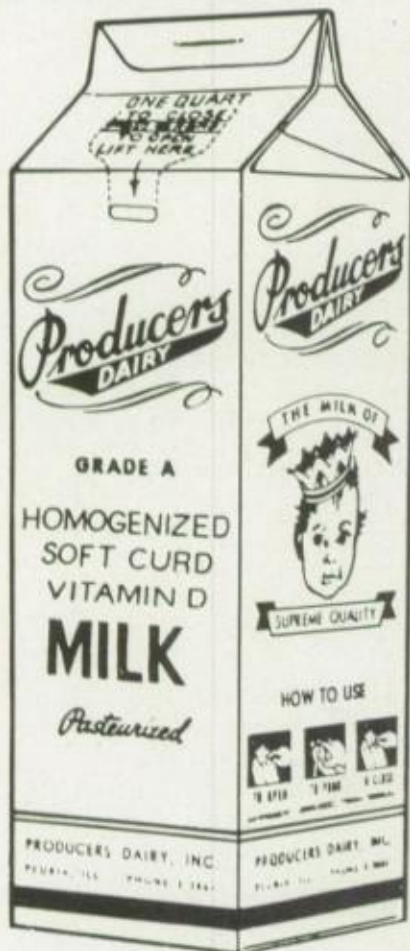

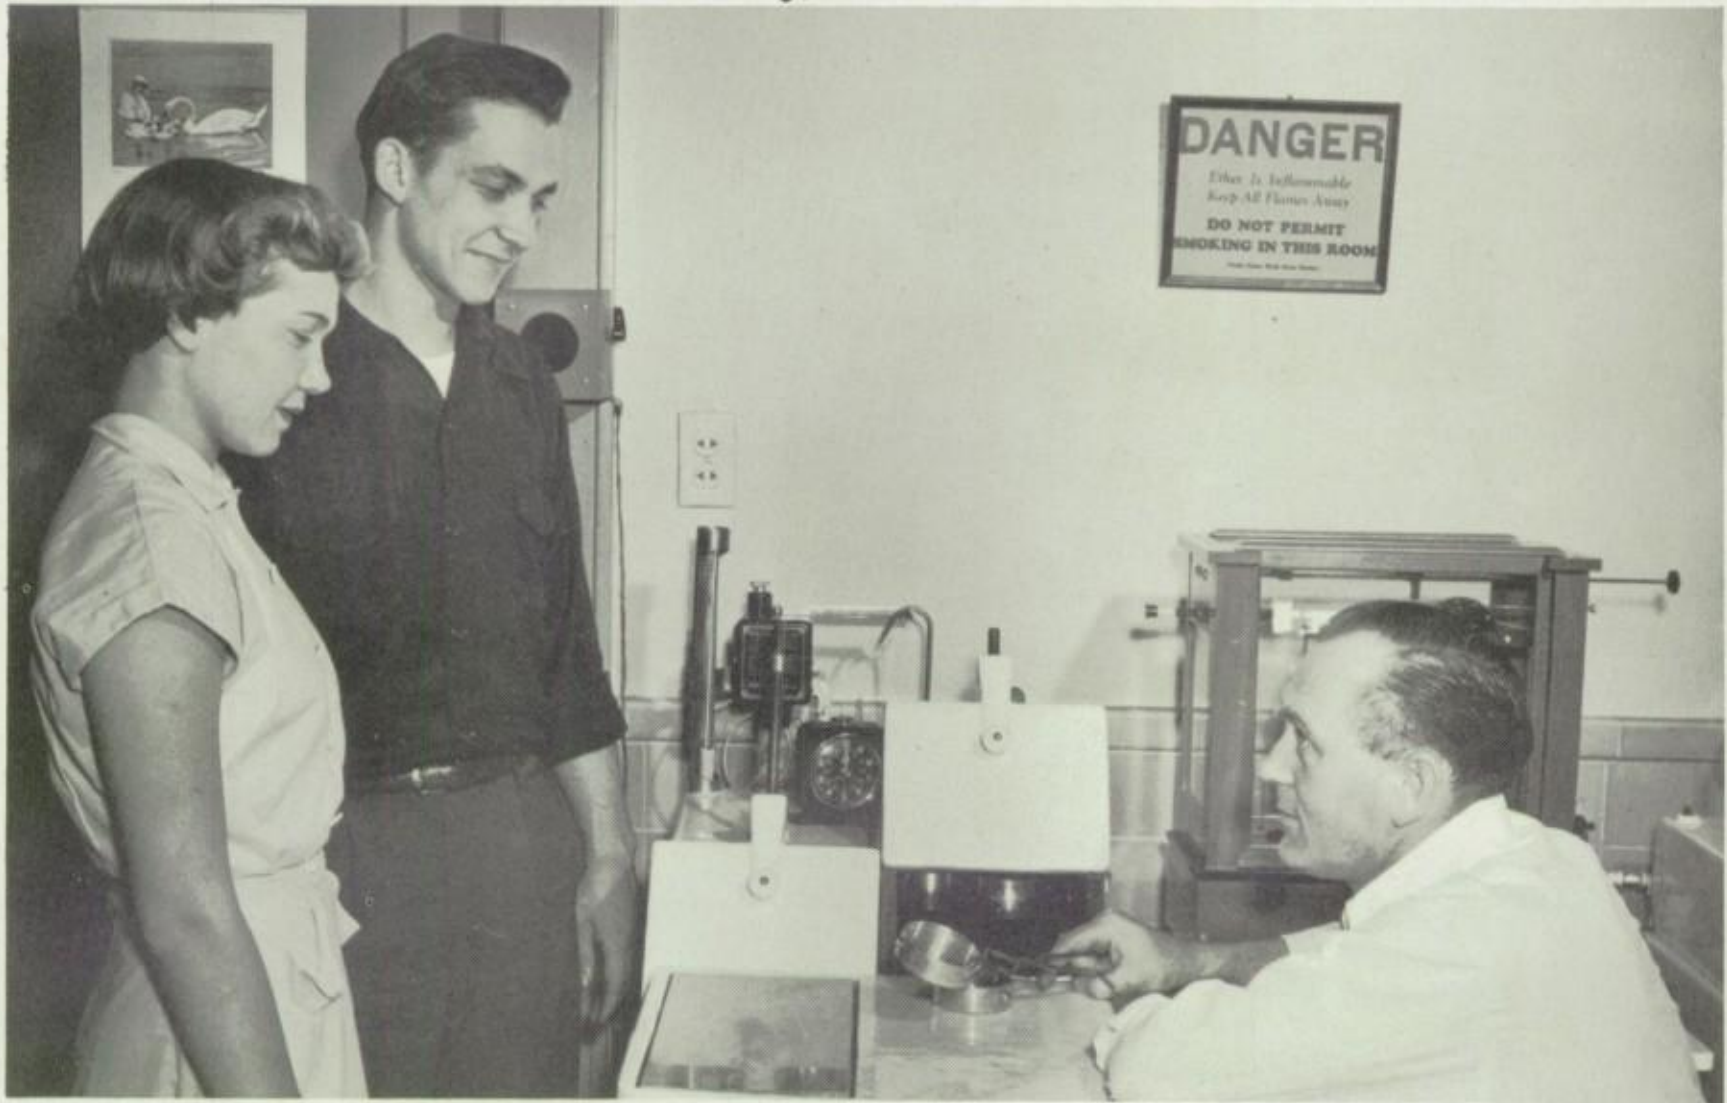

In this national emergency, our responsibility to our country is great. So long as conflicting themes of dogma divide people into opposing camps of philosophy, strife will continue in the world. Above all, we people of the United States must acknowledge a one-ness of purpose, must *remain* united, "one nation indivisible, with liberty and justice for all".

Contradictions are not always what they seem to be. Light and darkness, warmth and cold, land and sea, good and evil, the known and the unknown, seemingly in contrast are but part and counterpart of the whole: the whole of a one-ness — one people, one universe, one God.

The responsibility is ours, this New Year's 1951!

and Flavor?"*

"YES" explains Howard Daily to Ann Hinnen and Frank Herold. "You see Producers Dairy is owned by dairy farmers close in to the Peoria area. These farmers make sure that the milk they produce is delivered quickly at its fresh, wholesome best. It's our job here in the Producers laboratory to make sure the milk is at its peak of freshness and flavor when it reaches you."

NATIONAL WINNERS BRING HONOR TO PEORIA HIGH

GARY WHEELER

Gary, who is a sophomore, is known for his outstanding rifle shooting. He is president of the only junior gun club in Peoria. Gary now holds the highest junior rifle honor than can be gotten. He has shot in rifle meets all over Illinois and has won medals at all of them.

ANN HINNEN

Central can well be proud of Ann for her excellent swimming. She has taken part in many Central and National AAU meets in recent years. For the past four years, Ann has taken part in the State Telegraphic Swimming meet with eleven out of twelve firsts. Also she has held high-point in state for four years.

CHARLES EDWARDS

Here at Central Chuck is well known for his fine swimming. In the State meet Chuck set a new record in individual medley with a time of 1:41:5, and won third place in the breast-stroke. In the Central AAU meet he took first place and set a new record in individual medley with a time of 1:4:8. This year, in Big 12, Chuck has set two new records in the individual medley and breaststroke.

SARA MITCHENER

Sara is known for her outstanding work with model airplanes. This year she took first place at the International Model Airplane Contest. There she received a \$100 war bond, a trophy and one week in Detroit with expenses paid. Out of the 500 contestants there were only four girls. Nice going, Sara!

DONNA CHENELER

On April 14, 1951 Donna competed in the Central Athletic Association Union, known as the AAU, at Navy Pier, in Chicago, Ill. This athletic meet was represented by eight Central States. Donna took second place in the tumbling division, which entitles her to compete in Detroit, Mich., for the national tumbling meet which represents the 48 states. If she wins in this meet, she will be eligible to compete next year for the Olympics.

Dear Elie,

Well I'll try again - This has only been the
greatest year yet - with Aunt, Illinois,
Nave, & Nave, & even Dave. I'm glad at parents
are such good friends - stop looking over
my shoulder -

Lots of luck
to a sweet
girl.
Mary Morgan '54

Dear Eleanor,

I am really glad that we got to be
better friends last summer and this year.
We certainly have had a lot of fun.
I hope we have a lot more next
year. You are a sweet gal and lots
of fun to be with. Remember when
we used to chase after the Spalding dog
(before Dave, of course) last summer. That
was only the greatest going out to hunts
everynight, just going out everynight
period. I know we will have just
as much fun this summer. Remember
the night we rode around in Jackie's
car and talked? That was only
Nat.

I've just got one more thing to
say and that is "I love you."

Loads of luck
and love,
Nancy.

N/C

We had a couple of months before tracks -
 say the way, I think you did the impossible and
 made me stop drinking. Without you I know
 I would have even through track season -
 In those couple of months we saw a show
 a week - at least, but it was fun. Wasn't
 it? Huh then came track - you didn't know
 what you were in for - because my dad and I
 made the train. It was one date a week for while -
 a small affair two months. That day you
 had your operation I must of been awful worried
 because I ran the second best time in the state
 at that time. You were ~~celebrating~~ ^{celebrating} ~~celebrating~~ ^{celebrating}

even though you couldn't hold down my candy.
 The junior from senior Hop and many dances
 later we got down to the debut meet. Well you'll find
 that - then heads, I was 1st for you and Big to shut.
 soon graduation came around with your present - then
 Namon. Now for the serious part in our program.

When I say that I'm going to miss you next year that's
 putting it very lightly. I love you so much my heart really
 aches when I don't see you for a day. Maybe I'm too young
 to know what love is or maybe people think I'm too young
 but never the less I know what my heart feels and if that's
 not love then I'll never find it. I really mean it. You're everything
 I've ever looked for in a girl - everything. You're smart, kind,
 and you'll be a great help to me. I'll be a great help to you too.
 I'll be a great help to you too. I'll be a great help to you too.
